

SEA-LINE BRAYT S3 FINISH CLEANER

Cleaning liquid

Technical information

Product component : Sea-Line® S3 FINISH CLEANER – 1 component

Volume : 500 ml

Description : Sea-Line Brayt S3 FINISH CLEANER is a product for all types of paints, varnishes – including HS, 2K, nitro, synthetic fibers and plastics, rubber, gelcoat coatings, glass, mirrors, etc.

Sea-Line Brayt S3 FINISH CLEANER removes:

- All pollution due to precipitation
- Greasy, difficult to remove stains and dirt
- Residues of damaged protective coatings (including waxes) which must be removed before applying new layer of protective coating

Does not leave streaks

Does not contain silicone

Specialistic use :

Industry:

- **After polishing :** wash surfaces with use S3 gives you opportunity to check the quality of the obtained coating, if it is polished well we get a perfect look. It perfectly removes all traces of abrasives, haze, etc
- **At the final stage:** because of fast cleaning dirt from surface which is a result from the production processes and easy in use, working time necessary for preparing elements before shipping is much shorter

Physiochemical Characteristics:

Appearance : Liquid (detergent)
pH : 7
Colour: turbid
F.P: 100°C
Solubility in water: good

Application :

Product can be applied manually. Spray on a surface.
